Pastor Name & Church Board

I want to thank you for your continued prayers and support since I've begun my education journey in St. John's NL. My home church and history has meant a lot to my spiritual development as a young person, and it continues today.

I am writing because I have been continuing my faith journey here and am connected to the local church and other Christian young adults. I am excited to have the opportunity to attend a Young Adult Retreat (February 17-19, 2023) organized by Mosaic Campus Church and Bethesda Young Adults. The cost of attending this retreat is an all inclusive \$120 for my registration, accommodations, and meals. I'm sending this letter in hope that my home church will consider sponsoring my registration cost (in part or in whole).

If you are able to help, the payment may be made directly to Bethesda via the methods noted below.

Sincerely yours,
